

BODEGAS Y VIÑEDOS VALDERIZ

Valdehermoso

Joven 2023

Uneven year, with a mild winter and a warm spring that brought bud break earlier. The high summer temperatures and the low but timely rainfall led to an early ripening of the grapes. There have been two harvests, marked by abundant rainfall in mid-September. It was necessary to make exhaustive control in the vineyard.

VARIETY:

100% Tinta del País.

SOURCE:

Grapes sourced from winery's own vineyards.
Varied soil type.
Yield: 5.500 kg/Ha.

WINEMAKING:

Spontaneous fermentation.
Gentle elaboration without harsh extraction in 20.000 kg stainless steel tanks.

14% Vol.
